

THE HANCOCK BILL: AB 2448

Due to recently passed state legislation, all of the ROP programs in California are now required to re-direct their funding and focus to high school students. Unfortunately, this mandatory shift in funding has resulted in a decrease in the number of ROP adult-oriented classes offered. For more information regarding this legislative bill, The Hancock Bill (Assembly Bill 2448), visit <http://www.assembly.ca.gov/acs/acsframeset2text.htm> and search for 2448. We apologize for any inconvenience this change in policy may cause.
